CS-30-W Series

30° Wedge Carbide-Tip Fiber Optic Scribe

High-quality tool engineered for the "scratch & pull" technique of scribing optical fiber

- Soft, brightly colored cap protects the 30° wedge-shaped carbide blade & a convenient pocket clip allows for easy portability
- Rugged, 8 mm diameter, anodized aluminum housing is easy to grip & its 3.8 mm wedge-shaped blade provides a more durable scribing edge to ensure longevity
- Contains 1 scribing blade
