

**Manufacturer:**  
Jonard Tools®

**Product Name:**  
Jonard Tools® FCC-300 Universal Fiber Optic Connector Cleaner

**Manufacturer Part Number:**  
FCC-300

▶ [Click here for more details on the Jonard Tools® FCC-300 Universal Fiber Optic Connector Cleaner](#)

The new, FCC-300 Universal Fiber Connector Cleaner incorporates a new non-woven, synthetic cleaning cloth offering greater durability, usability and improved reliability. And this cloth can handle wet or dry cleanings and there is never a fiber residue on the end face.

The FCC-300 is a handheld connector cleaner that is strong enough for aggressive cleaning of a wider range of contaminants, soils and end-face debris.

Stable, consistent, cleaning performance regardless of operator skill thanks to its patent pending Slide-Guide™ connector holder.
