45-074 Data T®-Cutter

Compact 5 ½” cable cutter with curved blades to help maintain round cable geometry.

- Cuts up to ½” diameter cables
- Designed for round communication cables including RG-59 through RG-11
- Cuts through coax copper clad steel center conductors
- Cuts twisted pair and structured cable bundles
- Not intended for hard steel cable or conductors
- Spring loaded handles help reduce fatigue
- Locking pawl keeps tool in closed position when not in use
- Black oxide coated stamped steel construction
- Padded handles for comfort
- Blade edges can be filed to remove edge wear and dings
- Manufactured in Sycamore, IL

Made in U.S.A. of
U.S. and Global
Components
