Jonard Tools® PSI-15 Quick Sleever® Fiber Optic Protection Sleeve Loader

**Manufacturer Part Number:**

PSI-15

▶ [Click here for more details on the Jonard Tools® PSI-15 Quick Sleever® Fiber Optic Protection Sleeve Loader](#)

Loading a protection sleeve onto a fiber can be tedious, even for the most experienced technicians. Plus, if they have physical impairments such as poor eyesight then it can become nearly impossible. Designed to make loading protection sleeves onto fiber quick and easy, the QuickSleeve protection sleeve insertion tool is ideal for aligning fiber to the holes of protection sleeves and is a real timesaver. This protection sleeve insertion tool features the following:

- Conical fiber feed surface guides fiber directly to protection sleeve (patent pending)
- Facilitates fiber loading by providing a guide for the fiber to load right into the protection sleeve
- Holds up to 15 protection sleeves, each ranging from 1.57" to 2.36" (40 mm to 60 mm) long
- When one sleeve is loaded and removed, another automatically falls into place
- Compact and lightweight design for easy storage and portability
