EASY FIBER DUCT SLITTER XL

EASY FIBER DUCT SLITTER XL cuts a wide longitudinal groove in large fiber ducts in a single operation.

- Extremely efficient and lightning-fast pipe tool for longitudinal cutting.
- Ultra-quick opening of 40 mm, 50 mm, and 63 mm HDPE fiber ducts.
- Very easy removal of extension ducts during mid-span blowing.
- Does not harm the user. Say goodbye to frustrating and dangerous knife injuries.
- Does not damage the fiber cables. Say goodbye to costly and troublesome cable damage.
- Can be used with a wrench, socket wrench, or a cordless drill.
- 100% Danish design and production.

THE SAFE AND EFFICIENT DUCT TOOL. NO HARM TO TECHNICIANS OR FIBER CABLES

EASY FIBER DUCT SLITTER XL cuts a wide groove in large fiber ducts in a single operation.

EASY FIBER DUCT SLITTER XL can be used with a socket wrench or a cordless drill. Delivered in a sturdy case – complete and ready to use.
