2.5 mm Precision Fiber Optic Swab – Wrapped Foam Tip

Product# 25183

Product Description

This patent pending 2.5 mm wrapped foam fiber optic swab is ideal for:

- Removing transmission-disrupting contaminants in a bulkhead connector
- Flat head conforms to the various connector shapes, cleans the conductor bulkhead corners inside the bulkhead pocket
- Cleans wet or dry to remove dirt and oil contamination
- Manufactured with a superior proprietary foam
- No glues are used in the manufacturing process minimizing leachable contaminants
- Head contains no weld seams that could scratch the optical conductor surface

Typical Applications

Fiber optic bulkhead connections 2.5 mm in size.

Compatibility

Coventry's Fiber Optic Swab is compatible with Electrowash PX, isopropyl alcohol. Acetone and denatured ethanol are not recommended.

Availability

25183 2.5 mm fiber optic swab, wrapped foam head, polypropylene handle, 100 / bag, 5 bags per box.

RoHS Compliant — Yes
